New Mexico Archery Elk Hunt for Two Hunters

Vince Vigil of New Mexico Hunting Adventures will be your host for this five day hunt for two archery hunters with two hunters per one guide. Hunters must purchase a landowner tag, if unsuccessful in drawing after applying the second year.

American Bald Eagle by Artist Jim Day

Would you enjoy having a Bald Eagle in your collection? Up for auction is a beautiful one-of-a-kind life-sized American Bald Eagle “sculpture” created by artist Jim Day. This truly unique item was commissioned especially for the Alaska Wild Sheep Foundation. Jim Day's eagle re-creations are available exclusively from Wildlife Interiors by commission only. This is a rare opportunity to purchase a magnificent piece of art that symbolizes the freedom of America.

Jim Day has spent the last 20 years perfecting his sculpting techniques. He paints, trims, irons and shapes each feather to create a one-of-a-kind masterpiece. Jim's re-creations look so real, they have fooled federal officials and wildlife experts. Every eagle comes with a certificate of authenticity and is banded with a numbered and registered Federal Eagle Band, certifying its authenticity as a re-creation.

This Eagle sculpture is approximately 48 inches tall with the bird perched on a dead tree standing over river rocks on a walnut table base. The Eagle pictured is NOT the item being auctioned, but will be similar.

The winning bidder has the option to take this special sculpture or use the value towards the purchase of another Bald Eagle re-creation with another unique pose - like an eagle with a salmon in its talons. The winning bidder will be given time to discuss options with Todd Lowe of Wildlife Interiors before making a final decision. Contact AK WSF for shipping information.

Estimated Value: \$11,500

For more information contact Todd Lowe at (785) 564-4000 or todd@wildlifeinteriors.com Website: www.wildlifeinteriors.com
